

Payment Plans for Varicose Vein Treatments in Utah

Vein Institute of Utah believes it is important to your health to eliminate varicose veins, and we do our best to never let the cost of treatment stand in the way. **The Vein Institute of Utah is pleased to offer payment plans for spider vein and varicose vein treatment through CareCredit.**

CareCredit
Patient Payment Plans

CareCredit allows you to begin your vein treatment immediately – then pay for it over time with an affordable monthly payment that fits your budget. Your monthly payment amount will depend on the total cost of your vein treatment. For more information about varicose vein and spider vein payments plans through CareCredit, call our billing department at **(801) 335-9313**.
